MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Publications Review

REFERENCE : Memo dtd 7 Feb 66 to Deputies fr Exec. Dir.-Compt.,
* re: above subj.

1. I have completed a review of the publications issued by components of the Support Directorate and find that we publish none which seem to fit the criteria described in your memorandum.

2. The Office of Security issues an "SRS Bulletin" containing counter-intelligence type information for internal office consumption. Less than a half dozen copies are released outside the Office of Security and then only in response to specific requests.

3. The Psychiatric Staff of the Office of Medical Services publishes [redacted] 25X1
[redacted] Studies from time to time, but these are non-recurring and usually in response to a particular request or requirement. 25X1

4. Otherwise of course, we issue Agency Regulations, Support and Training Bulletins, Telephone Directories, the Recruitment Brochure, and the stock catalog but I am sure these are not the kinds of publications to which your memorandum is addressed.
